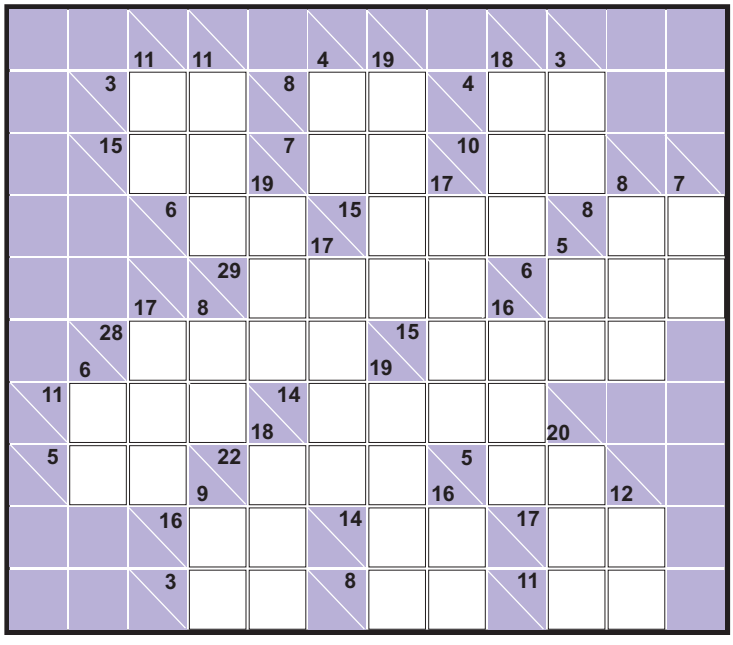
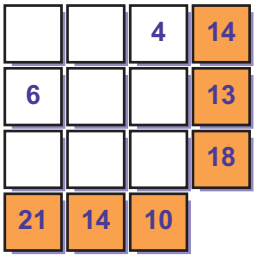
## kAkUro

El objetivo de este juego es rellenar las casillas con números del 1 al 9 de forma que en ninguna serie de números, en horizontal o vertical, se repitan y que su suma dé como resultado el número que se indica.



## sUmANdo

Coloca todos los números del 1 al 9 de manera que se cumplan correctamente las sumas.



## LA frAsE

Sustituye los números por letras y hallarás una sentencia de John Ruskin (1819-1900), crítico y escritor británico.
